Back row (left to right) . . Shane Maxwell, Mike Watsan and Eddie Flammia.

The football team finished the season with a record of 5-5. Considering the strength of the Northeast Conference, this is respectable. They were able to beat the teams they should have and were only beaten by outstanding teams.

The team got off to a good start with a 20-6 victory over Winthrop. After a low start, the Sachems went on a surge which saw them score 20 points in the course of three minutes. Senior Ben Lynch scored two touchdowns. This game was highlighted by the absence of Phil Franco on an extra point kick. It was eventually kicked from the 30 yard line.

The next step was a 21-12 victory over Salem. This was the first Saugus Victory over Salem in ten years. Highlights included the Marc Fauci-Steven Worthley connection and a strong defense.

The next Saturday featured a loss to Beverly (an eventual Super Bowl team). The team played well offensively, with Keith Coviello returning from an injury to stabilize the offensive line. Marc Fauci was throwing well, and Ben Lynch and Jay Migliore led the rushing attack.

A 28-22 loss to Gloucester followed. Although Saugus dominated the first, third, and fourth quarters, Gloucester's 28 point surge in the second quarter could not be overcome.

The Sachems then met Lynn English who had their best year in years. Saugus lost again despite a good offensive and defensive effort. Highlights included the play of Steven Donahue at center, and Ed Gordon at wide receiver.

The next week's loss at Marblehead was a hard fought defensive game by both teams.

Swampscott's inspired play in week seven led to another loss. The only offense Saugus could get together was a 70 yard touchdown by Ben Lynch.

Saugus was then able to compose itself, coming back with a 52-32 victory. These 52 points were the most ever scored by a Saugus team. Classical also ran three kickoffs back for touchdowns in this freaky offensive game.

The winning streak then continued with a 28-6 win at Danvers. Saugus took control in the second half and never looked back. Stephen Woodworth and Chris Shute anchored the line.

The team reached a milestone with a 22-14 victory over Peabody on Thanksgiving. This was by far the best game Saugus played all year. The team played consistently, with intensity and a desire to win the game. Highlights included a great offensive block by Mike Hunter to spring Jay Migliore for some big gains, sacks by Ed Flammia, and great defense by Tim Baker, one of the better defensive players on the team.

Overall, Coach Ward was pleased with his team, "a good group of hardworkers." Jamie Filosa was one of the better receivers providing a positive influence on the rest of the team. Bill Fortunato provided enthusiasm.

Coach Ward would like to wish the Seniors the best of luck. He enjoyed coaching them this season. He would also like to thank them for their leadership.

Boy's Varsity Soccer

The boy's Varsity Soccer Team finished its season with a record of 9-8-1. Though the team did not make the state tournament, the team played with championship qualities.

Leading the team in scoring was, two time N.E. Conference all-star, Eric Fraser. He finished the season with 11 goals and 12 assists.

Trapping opponents offsides repeatedly was defend defensive strongman Anthony Sforza. Anthony's enthusiasm kept the team going all season.

Charles Sofronas played well in net the entire season. Charles posted five shutouts and had a 1.38 goals against average. Tri-Captain Ryan McMahon, after having been sidelined with an ankle injury for the first part of the season, finished the season strong.

To all the seniors on the team, I wish you the best of luck in all your future endeavors.

Girl's Soccer

1st row (left to right) - Gayle Sanders, Capt. Jenn Shell, Capt. Nicole Starett, Capt. Keri Dawicki, Shannon Sullivan, Coach Ray Comeau 2nd Row (l to R): Erin Burns, Renee Falaska, Katie Trecarten, Melissa Shell, Cheryl Bernard, Kelly Trecarten, 3rd Row: (l to R) Jill Moriello, Colleen Fahey, Tracey Oullette, April Moriello, Kim Manning, Jen Thulin

This synopsis of the 1988 girls soccer team is being written from a coaches point of view. This season was text book perfect. All of our preseason objectives were met. We made the state tournament; we played exceptionally well; we grew as a soccer team; we were injury free; and above all; we had a good time accomplishing the above! I would like to take this opportunity to say that this season was truly successful because of the assistance of my three captains: Keri Dawiki, Nicole Starrett, and Jen Shell. I will always have a warm spot in my heart for each member of the 1988 girls soccer team, but especially the tri-captains mentioned above. Good Luck to each of you!

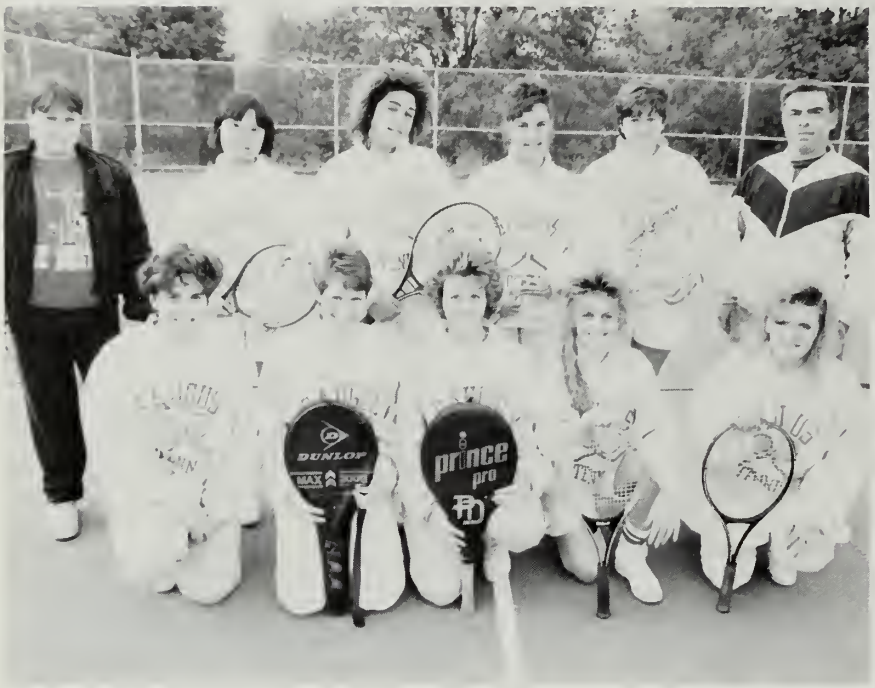
Coach Comeau

Standing (L to R): Coach Linda Boudette, Jean Henehamn, Christine Popplawski, Renee Emanuele, Heather Anderson, Erika Sanborn, Michele O'Connor, Karen Tozza, Kim Sarno Kneeling (L to R): Nicki Melzer, Cindy McKeever, Tara McKenney, Co-Captain Bonnie Carlson, Co-Captain Jen Morrison, Dawn Swimm, Tonya DiChara

The 1988 Field Hockey Team ended their season with a record of 6-4-2. The team was led by Senior CO-Captains Bonnie Carlson and Jennifer Morrison. Both were named Northeast Conference All-Stars, along with Junior Renèe Emanuele. Senior Cindy McKeever was outstanding throughout the season, anchoring the defense as a sweeper along with center halfback, Jen Morrison. Jen was the donimating force on the team and was named Lynn Item Player of the Year in Field Hockey. Forward/Link Tara McKenney was always found hustling to get a loose ball. Her presence was especially felt in the 1-1 tie with Swampscott as she responded well to a change of position. Also found on the forward line was Bonnie Carlson. Bonnie was the leading goalscorer. The "greyhound" put her speed to the best use, often streaking by opponents to pick up the loose ball and put it in the net. Utility player Dawn Swimm was found on defense. She responded well to playing any position she was asked to play; a total of eight different positions.

Coach Boudette would like to thank her seniors for their leadership and hard work. Congradulations and good luck in the future!

Girl's Tennis



Kneeling (L to R): Ann DeVito, Jen Manning, Patrice D'Avella, Leslie Carrabis, Krista Ellis
Standing (L to R): Manager Brian Doherty, Di Wang, Rayna Girad, Lisa Cefalo, Maura Cunningham, Coach Myron Manoogian

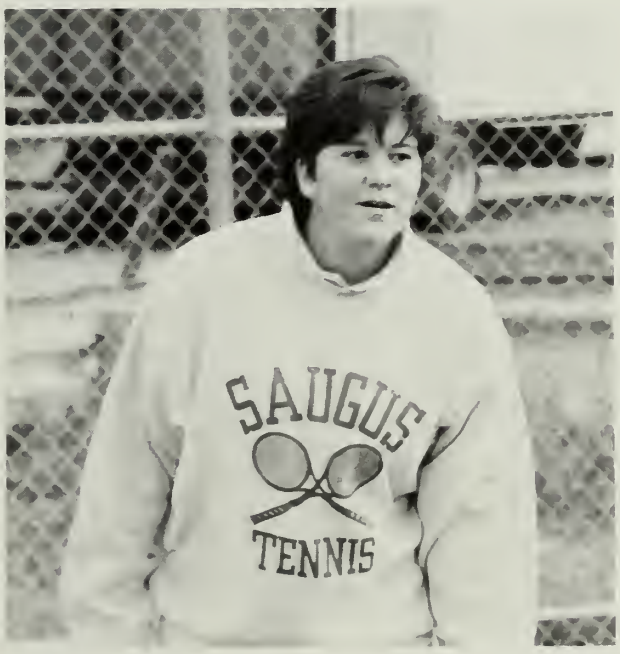
This year's girls tennis team set out to improve on last year's 4-14 record. They did that and more, with a 7-11 record moving them from 8th to 6th in the conference standings.

The only senior on the team was Maura Cunningham, who saw her first varsity action this year at the doubles position.

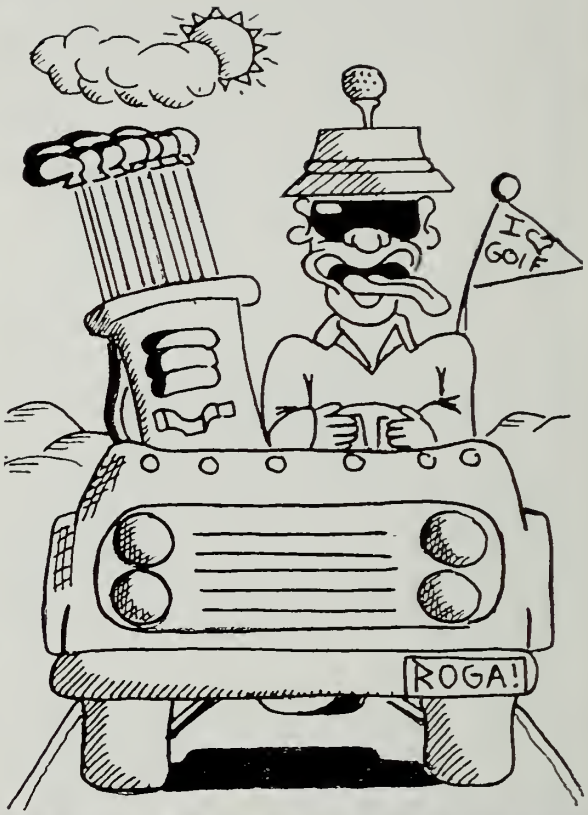
Several players had successful seasons for the team, winning key points to clinch a match. They were Krista Ellis at singles; Anne DeVito and Di Wang at first doubles; and Lisa Cefalo with Rayna Girad at second doubles.

Jennifer Manning had an all-star season, with a personal best 17-1 record at first singles and being unanimously voted to the conference All-Star team.

The addition of Di Wang to the team this year helped to strengthen the doubles team.



Golf



This year did not look very promising early in the season. Only one player returned from last years state qualifier and he decided to join the soccer program. However several new people joined our program: Matt Di Cologero, Mark Corsino, Brian Cunningham and Patrick Murphy. We decided to go along with these players and continue our golf program. Nick Diranian who was to become our captain and a true leader and competitor, played at number one through the entire season.

Eric Kelley joined us early into the season and half way through the year we were joined by Derek Milano, Dave Cottom, Brian D'Amico, Ed Tarlowski, Steve Mc Carthy and Ryan Cavhlo. We suddenly became formable and Competitive! Marblehead particularly was very upset at us for beating them. We put together three wins on the season: Winthrop, Marblehead and Lynn Classical as against six losses.

The program survived and with most this seasons players returning, next year should be very exciting.

Highlights this season were: Derek Milano with three Wins and four Losses playing in the NEC all-star match, Ed Tarslowski's steady play, Brian D'Amico consistent at H 2 played well in the Marblehead match and David Cottom at his best in his win in the match against Marblehead. Especially appreciated were freshman: Eric Kelley & Patrick Murphy, & Ryan Cavahlo.

Hockey

The Sochem Icemen hod o tough yeor under the new heod cooch Scott Brosis, who we would like to thonk for oll of his time ond dedicotion. Even though the seoson had some disappointments, the teom pulled together as o unit ond oc-complished some crucial victories. Dove LoBorde wos outstonding in net. He come up with the big soves when they were needed. Other outstanding ployers were Coptoin Joy McDonough, o determined othlete, and Eric Froser, o top gool scorer. Not only were these forwards on the first line, but they helped on defense os well. Another ployer who wos overlooked wos Bill Fortunoto. Bill wos not top in obility, but olwoys top in spirit ond support. When giv-en o chance he did whot he hod to do. The team would olso like to thonk our cheerleaders for being there ond giving us support. We won as o teom ond lost os o teom, and no one will ever toke thot owoy. Thonks ogoin!

The 1988-89 Edition of the Sougus Boy's Bosketboll teom has surprised olot of people this yeor. Picked to finish in eighth ploce ot the stort of the seoson, the Sochems ore currently in second ploce with o 9-3 league record.

Led by Co-Coptoins Steve Worthley ond Ryon Mc Mohon the teom won its opening gome ot Morblehead. After losing o close gome ot English the teom rebounded with o convincing home victory ogoinst Swompscott. This storted o run of 7 stroight victories ot home. These victories included wins over: Classical, Beverly, Gloucester, Marblehead ond dromotic come-from-behind win over Winthrop ond o rout of English 87 to 61.

Senior Poul Zermoni directs the Sougus ottock from his point guord position. Jeff Sortori is o steody contributor from the second guord position. Ryon Mc Mohon is the versotile swing mon operating as o third guord or smoll forword. Jr. Ron Mc Corthy ploys the power forward slot ond Steve Worthley rounds out the storty 5 ot the center position. Senior Russ Magnosco is the importont sixth-mon off the bench os well os guords Dove Dow ond Brian Lovett. Other contributors to the teom include Chris Torontino, Dove Pugh, Keith Mc Cobe ond Sophomore Chris Mc Mahon.

Potentiol All-Stor Steve Worthley hos been o pleosont surprise ond is currently the third leoding scorer in the Conference with o 16.9 overoge as well as leoding the team in rebounds.

The teom hos been chorocterized by good defense, good teom chemistry, excellent shooting, bolanced scoring ond unselfish ploy. Most gomes find 4 to 5 players in double figures which mokes it very difficult for the opposing teoms to key on ony one ployer.

Girls Basketball

Back Row: (l-r) Erin Burns, Karen Tozza, April Moriello, Shannon Sullivan, Alison Simmons, Denise Perkins, Collen Fahey, Coach Julie Ryan Front Row: (l-r) Gayle Sanders, Dawn Swimm, Jen Morrison—Co-Captain, Renee Emanuele—Co-Captain, Lisa Donovan, Tracey Ouellette

The 1988-1989 Girls Varsity Basketball Team put farth a tremendous effort in a competitive conference this season. Returning starters from last year's squad included ca-captains Jen Marrisan and Renee Emanuele, both of whom led the team in the scaring and rebounding categories. Two ather important catalysts from the senior class- Lisa Donavan and Dawn Swimm, made major cantributions to the team. Dawn pravided aggressive post defense and astute affensive play along with autstanding flaar leadership, while Lisa led the team in "swats" and was our third leading rebaunder. Jen Marrison topped three successful varsity Basketball seasons daminating the boards and leading all scares, praving herself worthy of her selectian ta the Northeast Conference All-Star Team two years in a row.

Coach Ryan wauld like to thank this years team for all of their hard work and dedication. She wishes the best of luck to the seniors as they cantinue their individual quests thraugh callege and life. She feels that it has been an hanor and a privilege ta knaw each team member.

Wrestling

Top Row (l-r) Coach Bob Gannon, Won Song, Frank Federico, Chris McCarrier, Sean Publicover, Tony Cook, Seth Hatch, Ryan Magnasco, Asst. Coach Dave Gannon 2nd Row (l-r) Brian Briarly, Chris Kelly, Dave Lavoie, Tony Dagagastino, George Karavetsos, John Rogalski Bottom Row (l-r) Scott Murphy, Rich Frazier, Greg Garten, Mike Burke, Barry McGrath

This season the boys wrestling team has compiled a record of 6-6-1 with 3 matches and 1 tournament left. Last season the team finished with a 2-13 record.

Last season was the first time in Saugus' history that a wrestler (Glen Obey) placed 1st in the state finals. The previous year Dave James placed 2nd in the state and 3rd in New England.

Heading in the same direction this year is sophomore Seth Hatch. He wrestles at 125 pounds and is 11-0. Along the way he has compiled 9 pins.

With Seth are Co-Captains Dave Lavoie (8-0) and Chris Kelley (9-3). Both captains show great promise in placing in the sectionals in their individual weight classes.

The entire team has worked hard and deserves a pat on the back. The team is only graduating one senior, Dave Lavoie, which leaves a great nucleus for next seasons team.

Gymnastics

Gymnastic Team Back Row: (l-r) Stacee Goldstein—Co-Captain, Jen Martel, Tara Lovejoy, Stacey Mac Donald, Nicole Le Blanc, Vikki Kodzis—Co-Captain, Marie Sullivan—Coach. Front Row: (l-r) Kerry Sullivan, Gail Mc Leod, Kristen Clarke, Sue Mc Namara, Colleen King, Irene Mahoney, Tracy Jackson.

The Girl's Gymnastics team, under the coaching of Marie Sullivan, was newly formed this year after not having a team last year. The season started off slowly but keeping the spirit, the girls did not give up.

The team consisted of only one senior, Colleen King, but a strong support from the junior class and support from the sophomore and freshman class. Captains of the team were juniors, Stacee Goldstein and Vikki Kodzis.

The team worked hard for every competition and their work paid off in every meet. We wish the best of luck to next year's team and hope that their season will be as successful as this year's was!!!

The Saugus High Swim Team had a great season. Coach Zanita Smith and Captains Denise Silva and Helen Silva led the team with never-ending energy. New member Brian Alcott showed determination, while returning seniors Fred Toomey, Leah Riddle, and Rachel Salvo continued to be important parts of the team. All in all the season will be one to remember. Congratulations to Helen Silva and Brian Ciampa for becoming All-Stars in the conference meet.

Football/Basketball Cheerleaders

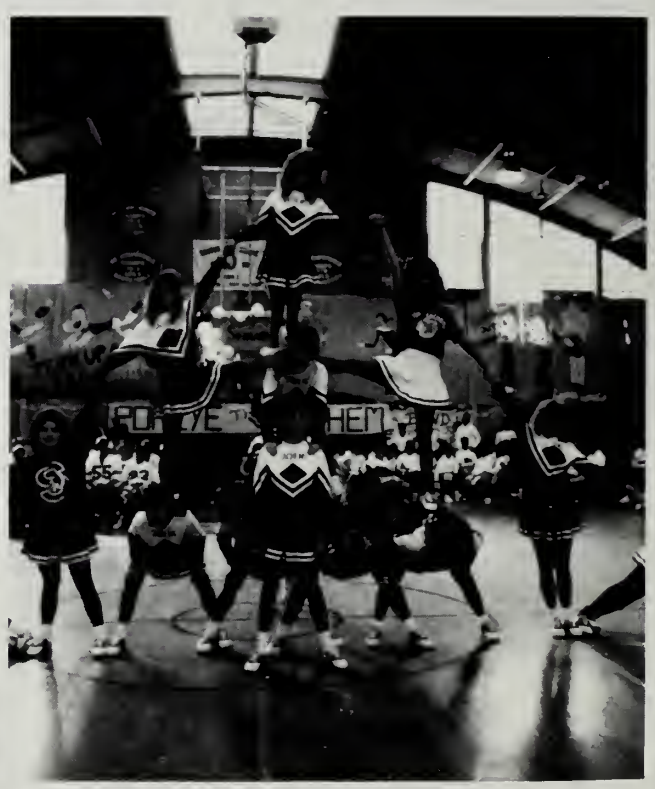
The SHS cheerleaders enjoyed an incredibly successful season this year. It began this summer with aur visit to a National Cheerleaders Association Camp. NCA taught us alot of new techniques, but the most important thing we learned was how to work together as a team. Each day a spirit stick was awarded ta the five mast spirited teams. On the last day they gave one to each of the squad which were present. At the ceremonies on the final day, the football squad was given a spirit stich stick to take home, for being one of the five mast spirited teams. We were proud ta represent Saugus High and to be honored with such an award.

Next came the long summer of putting together halftime routines ta dazzle the fans. We were able to put together both eye catching and spirit rousing stunts and cheers. The time and effort put in were well worth it, and it was aur privilege to present our routines to the greatest fans in the world, right here at Saugus High.

Our first competition was an November 10th, and alot af hard work and effort went inta the team's rautine. Our dance theme routines were made ta the American Anthem theme. Taugh rautines with incredible stunts were arranged for our performance at the Beverley Field House. Our team was successful, taking hame faurth place, third in the conference, in the football cheerleading competition.

It has been a great year for us, and we are we've enjoyed all the great times cheering the Saugus High School teams on to victory.

TEAM UP ON
JR.

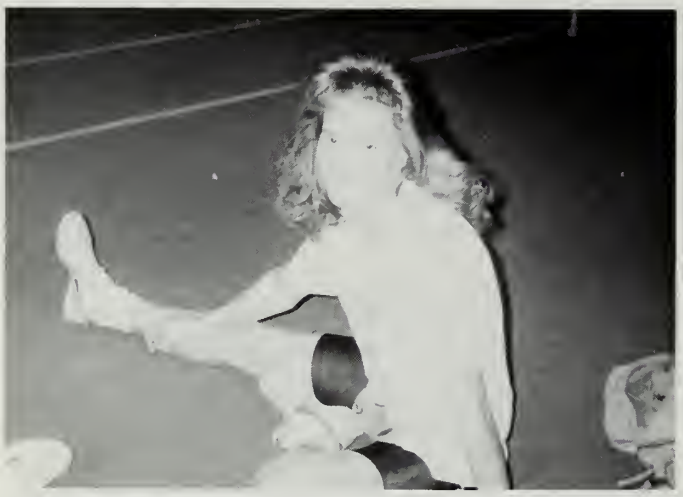


Soccer-Hockey Cheerleaders

In June of 1988, some of the soccer -hockey cheerleaders attended NCA cheerleading camp at Brandeis Camp University. After visiting the camp we found many new moves and ideas that were valuable in making this year a success. During the 88-89 school year we entered a competition. On November 10, 1988 the soccer cheerleaders came in second and defeated their long time rivals Lynn English.

Special thanks for a great year go to Coaches Lisa Leccesse and Kim Wall, also to the football cheerleaders.

Track



We have a winning record 4 wins, 3 losses Salem and Winthrop remain to be played. Salem will be a win but Winthrop is a tough opponent. In this, our fifth year, we have yet to have a winning season. This will give respectability to Winter Track and hopefully will develop and interest in our girls program. This year a number of boys sigvil in, Twenty-Five, Twelve girls also joined in but not quite enough to make-up a team to have their own separate program.

Matt Di Cologero (Hurdles), Ed Nazzaro (600 & High Jump) John Bowser (2-Miles), Bob Nazzaro were the only Veterans from 1988. (50 & 300) were the only Veterans from 1988. New comers include Greg Blake 300, Top Scorer Pete Mears 50, High Jump, John O'Donnell 600, High Jump, Aaron Di Bella Shot Put, Eric Kelley 1000, Bob Fisher Mile, Dave Leuci Shot, Frank Casquade 2-Mile, Chuck Falzarno 2-Mile, Paul Spadafora 1000.

Bonnie Carlson has been a bright light for the girls number one in the 600. This year has been very successful for us at Saugus. With wins over Swampscott and Marblehead. Highlighted our season—We beat Danvers by winning the last event: 4 x 440 relay with Ed Nazzaro :57, Bob Nazzaro :59, Jon O'Donnell :59 and anchor Freshman Greg Blake :58. For a season best time. Final Score Saugus 46, Danvers 40.

Establishing Saugus as a competitive foe in this league six of our athletes qualified to State Competition. Bonnie also qualified in the 600 for the State Meet at Harvard. The middle school has been extremely co-operative in allowing us to train in their facility and this is very benifical to the continued success of our program.

Looking back now I can see it all so clear
Where did the time go? It just seemed to disappear.
The Class of '89 is "One of a Kind."
Like a difficult puzzle that boggles the mind.
So many pieces didn't seem to fit
The future of out class looked like a bottomless pit.
But little by little it all seemed to change
The parts of the puzzle all rearranged
The spirit from Color Day set the pace
Then all of the pieces fell into place
Separate but united, we all stand together
Sharing the memories we will hold on to forever

Summer Jobs

Almost every teenager growing up in the eighties has listened in awe to their parents talk about when they were young. It is hard to believe that a movie was only $2.00 and it only took $3.00 to fill a gas tank. Nowadays, a movie is $5.50 and it takes anywhere from $10 to $20 to fill up your car. It is no wonder that many kids have found it necessary to maintain a job.

Getting through the school year is hard enough to afford, but when the summer hits, forget it! Teens need so much money to keep up with the ice creams, movies, and lunches, not to mention keeping the car running.

Whether kids work 10 hours or 40 hours, they never seem to make enough to satisfy their summer activities. Endless numbers of paychecks are cashed week after week, as kids plan bigger and more expensive activities. Not all teens blow their checks every week, some do build up a savings, but these kids are hard to come by.

Since the "summer job" is so important in the students' lives, the yearbook photographers decided to catch some snapshots of the Class of '89 out of the classroom and in the working world during the summer prior to senior year.
